*Particle board dividers are not included. Board required is oversize, 1/2" thick.

A starter unit is one that can stand alone. An add-on unit shares uprights with an existing unit. Racks can be set up to accommodate smaller material sizes by lowering the beam levels. Custom sizes and configurations are available.

Prices are quoted F.O.B. Cincinnati. Terms are C.O.D., Credit Card or Net 30 Days with credit approval.

For quantities in excess of five (5) total units, please call for pricing.
